

Blue Moon Md Tank instructions

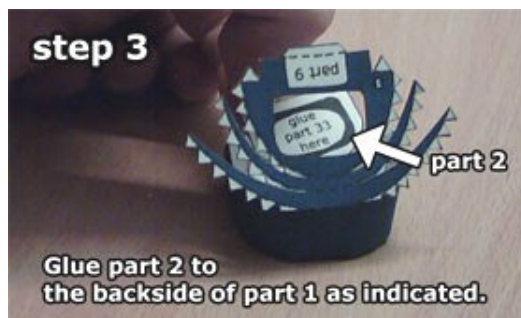

step 01

step 2

step 3

step 4

step 5

Glue part 3 to part 1 as indicated.

step 6

Roll part 4 into a cylinder, 'colored' side in, and fold the tabs out.

step 7

Fold and glue part 5 into a box, but don't forget to glue part 4 into place.

step 8

Slide part 5 into place, front first, then drop the back. Align the holes.

step 9

It should look like this.

step 10

Cut out parts 6 and 7 and slide part 7 over part 6. Glue in place with the tabs on part 6.

step 11

Glue part 8 over the tabs on the bottom.

step 12

Push part 6 through the holes. Don't use any glue for this step!!

step 13

Close up part 1. Try to create a smooth curve.

step 14

Close the top.

step 15

Fold and glue part 9 into shape.

step 16

part 9

Glue part 9 in place.

step 17

Cut out and glue part 10 in place.

step 18

Cut out parts 11 through 13 and assemble them as indicated.

step 19

Glue part 11 to part 9, then slide part 12 into part 11.

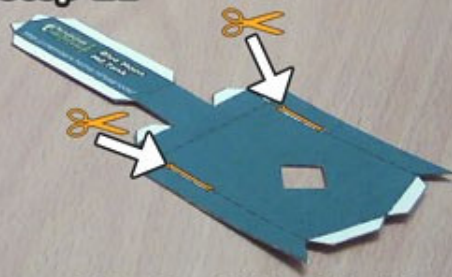

step 20

The turret should look like this by now.

step 21

Cut out part 14 and don't forget to cut at the indicated places.

step 22

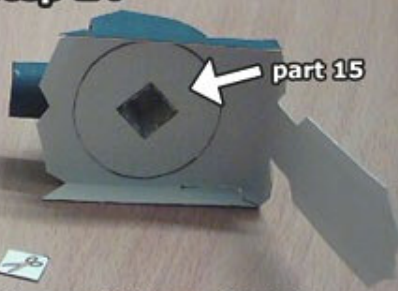

Push the tabs on part 6 through the hole on part 14. Don't use any glue for this step!!

step 23

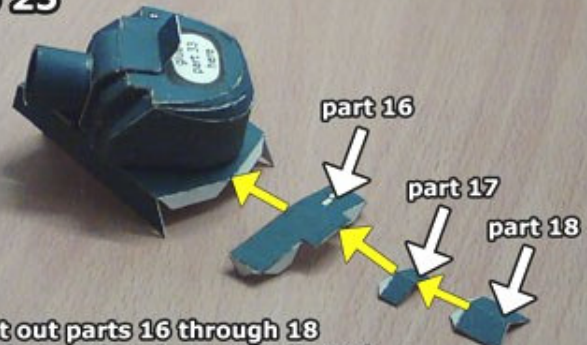

Only apply glue to the tabs.

step 24

Glue part 15 over the tabs.

step 25

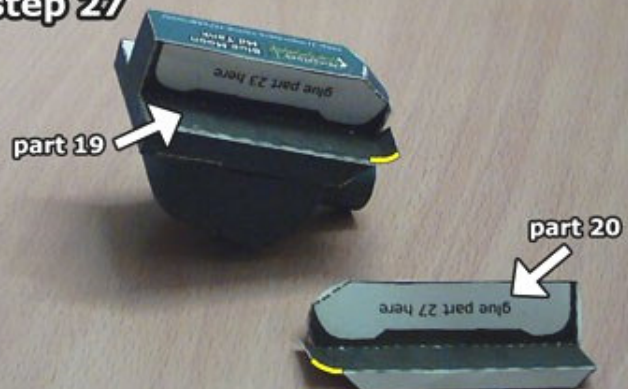

Cut out parts 16 through 18 and assemble them as indicated.

step 26

Make sure all the parts line up.

step 27

Close up the sides with parts 19 and 20. Curve the ends as indicated.

step 28

part 22 → ← part 21

Use parts 21 and 22
to cover up the white parts.

step 29

part 27
(glue one side first) →

8x part 28 →

3x part 29 →

23x part 30 →

finished part 23 →

Finish part 27 like part 23
by glueing on parts 28 through 30.

step 30

part 27 → ← part 23

Glue parts 23 and 27
to the hull as indicated.

step 31

part 31 →

part 32 →

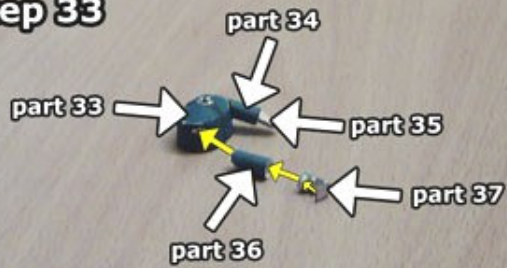

Assemble parts 31 and 32 as indicated.

step 32

part 32 → ← part 31

Glue parts 31 and 32 to the hull as indicated.
Hide the seams by glueing that side in the slits.

step 33

Cut out parts 33 through 37 and assemble them as indicated.

step 34

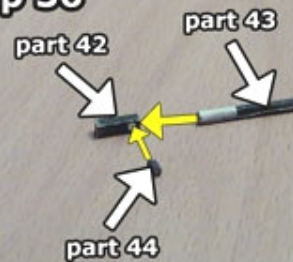

Cut out parts 38 through 41 and assemble them as indicated.

step 35

Glue the body and the head of the driver on top of the turret.

step 36

Cut out parts 42 through 44 and assemble them as indicated.

step 37

Glue the machine gun in place to finish your Blue Moon Md Tank. Thank you for downloading and building a Ninjatoes' paper model!!!
